January 2012

Dear Parents,

There have been some issues that students have been experiencing regarding the Study Island homework. One of the issues is that students are NOT completing the entire homework assignment when more than one topic is assigned. Here is a “walkthrough” for you to understand what needs to be accomplished:

1. Click the link on the homework web site at <http://homework.thirdgradestars.com> or visit <http://www.mansfieldct.gov/southeast> and click on the *Study Island* link.

4. Once you login, you will come to your class selection page. Choose the **Third Grade Homework Class**. This will get you to this week's homework assignment. If you choose something else, you will not get the right activity. You will see different classes than what is listed in this picture.

5. After you get to your “class page,” it should look something like the picture below.

Date Due	Assignment Title	Status
→ Tue, Jan 10, 2012 at 9:00 PM	Tuesday, January 10 Homework #1	Incomplete: 0 out of 1 topic(s) passed
→ Tue, Jan 10, 2012 at 9:00 PM	Tuesday, January 10 Homework #2	Complete: 1 out of 1 topic(s) passed 73.7% correct

6. You may see that some assignments are “completed.” Even though they are marked as completed, your child still needs to work on them for homework. Study Island tracks progress on every attempt made on a topic. If your child participated in Study Island Academy or worked on the topic during computer lab time, he or she may have already completed the topic. Our homework activities are reinforcement for activities completed at school.

TO BE CLEAR, your child must complete the assignment even though it is marked completed. We will check the Study Island logs to see if your child completed questions in that topic for this week. If no questions are completed, your child will be marked as not completing them.
